Monett Readers Are Leading The Way

Proof in a Monett citizen's statement.

"I was troubled for three years by kidney complaint. The kidney secretions were too frequent in passage and I had backache and pains in my head. Nothing relieved me until I took Doan's Kidney Pills. As the result of their use, I am strong and well and no words can fully express my gratitude in them."

CLARK THE NOMINEE

Kansas City, Mo., June 11.—Champ Clark will be the democratic nominee for the president on the second or third ballot. That's the way William Joel Stone, senior senator from Missouri, feels about it.

"Bryan is a possibility, but not a very big probability," the senator said today. "After the first two or three ballots are out of the way and the favorite sons have been honored, I believe the democrats will unite on the only logical candidate—Clark."

Notice! Saturday, June 15th is our last day. If you want your eyes fitted call at Brown & Hagler's.
